## SECTION A

General information on residence permits  
for real estate owners in Greece

## Residence permits in Greece.

A residence permit is any documentation issued by the Greek authorities, according to which a third country citizen is given the right to reside legally within Greek territory, in accordance with the provisions of the European Union (Regulation 1030/02 as applicable). Different categories of residence permits exist, as well as different types of permit within each category. Employment rights depend on the type of permit issued. Applications for the granting and renewal of residence permits are submitted directly to the municipality or the relevant authority of the Aliens and Immigration of the Decentralised Authority in the applicant's place of residence, apart from certain specific types of residence permits for which applications are submitted to the Department for Migration Policy at the Ministry of Migration and Asylum.

## Residence permits for real estate owners and who they apply to.

A residence permit for real estate owners is a new type of residence permit, for third country citizens who have entered the country legally on any kind of visa (type C or D) or are legal residents in the country, even if the residence permit they hold does not allow for change of residence scope.

Beneficiaries of the right of entry and the permanent residence permit, which shall be renewed every five (5) years, are:

- a) third country citizens** who own real estate property in Greece, either personally or through a legal entity based in Greece or another EU member state, of which they own the total of the company shares, provided the minimum value of the property is €250.000;

**d) third country citizens** who purchase a plot of land or acreage and proceed to erecting a building, provided that the cumulative value of the land purchase and the contract with the construction company is at minimum €250,000.

**e) third country citizens** who have signed a timeshare agreement (lease), based on the provisions of Law 1652/1986. A time share lease, according to the provisions of article 1 of law 1652/1986 is the commitment of the lessor to grant, each year, to the lessee, for the duration of the timeshare, the use of the tourist accommodation and to provide to them the relevant services for the determined period of time according to the contract, and the lessee must pay the agreed rent. Tourist accommodation for the implementation of this law refers to hotel units and generally tourist facilities operating under the permission of the Hellenic Tourism Organization (EOT) and have been subject to the provisions of the law by decision of the Secretary General of E.O.T. Timeshare is agreed for a period of one (1) to sixty (60) years.

**f) third country citizens** who are adults and who fully and legally own real estate property in Greece, the minimum value of which is €250,000, and is acquired through intestate succession, will or parental concession.

**g) family members** of the third country citizens described above.<sup>1</sup>

<sup>1</sup> According to the law, family members of third country citizens entering the country are:

- a. Spouses,
- b. the other spouse or partner with whom a third-country national has a cohabitation agreement in Greece,
- c. the direct unmarried descendants of the spouses, who are under the age of 21,

- e. the direct relatives of the spouses in the ascending line.

## Preconditions for a residence permit for real estate owners in Greece.

The following conditions must be fulfilled to receive a permanent residence permit of investor, which shall be renewed every five (5) years:

- a)** The real estate property must be owned by and be in possession of its owners.
- b)** In cases of joint ownership, where the value of the property is €250.000, the residence permit is only granted if the owners are spouses or partners with a cohabitation agreement in Greece, with undivided ownership of the property. In all other cases of joint ownership, the residence permit is only granted if the amount invested by each of the joint owners is at least €250.000.
- c)** If the owner has acquired the property through a legal entity, the applicant must own 100% of the company shares.
- d)** The residence permit is also granted in cases where the third country citizen is the owner, either directly or through a legal entity, of more than one real estate property with a combined value of at least €250.000.
- e)** In cases where the applicant wants to enter the country with a type D visa, the documented intention to own property should be supported by documentation which prove the financial capacity (e.g., certificate of an A-class certified bank, or other recognised financial institution), which certify the existence of bank accounts or other mobile assets, such as bonds or shares, which can cover the cost of the investment of at least €250.000, and which certify the intention of the applicant to purchase the property (contract with a law firm or with a real estate office).

f) In the case of third country citizens who have signed a lease of at least 10 years for hotel accommodations or furnished tourist residences in integrated tourist resorts, provided the minimum value of the lease is €250.000, the contract must require a single payment of the lease for the equivalent of the ten year leasing of the property.

In all cases outlined above, the value of the real estate property will be determined based on the value of the property, or the lease, indicated in the contract of purchase. The value of the property, according to law 4251/2014, is the amount stated explicitly on the contract which has been submitted for the purchase of the real estate property. The objective, or assessed, value of the property is not relevant, unless it corresponds to the amount which was, according to the contract, paid for the sale of the property.

### Entry Visa requirement to obtain a residence permit for real estate owners.

An entry Visa, that is, legal entry in the country, is necessary to obtain a residence permit for owners of real estate property. Following the issuance of a residence permit, and for its duration, there is no need for a Visa. Pursuant to Law 4251/2014, any third country citizen who has entered the country legally holding a visa of any type or is a legal resident of the country irrespective of their status or type of residence permit, has the right to apply for a residence permit.

## Duration of the residence permit for real estate owners.

This residence permit is permanent. The holder of the residence permit is however required to renew it every five (5) years.

## Renewal of residence permits for owners of real estate - Preconditions.

The residence permit shall be renewed every five (5) years. To renew the residence permit, the following conditions must be met:

- The real estate property must remain in the full ownership of the applicant.
- The relevant leases/contracts must be ongoing.

Absences from the country do not impede the renewal of the residence permit. The resale of the real estate property, during the period when the residence permit is valid, to another third country citizen provides to the new owner the right to a residence permit along with a simultaneous revocation of the seller's residence permit.

### **Step 3: Submitting the documents**

According to Ministerial Decision n. 9907/3-4-2019 (Official Government Gazette B'1106), the application for the residence permit can be submitted to any one-stop service of the Aliens and Immigration Department at the Decentralised Authorities in Greece.

### **Step 4: Procedures until the final issuing of the permit Upon arrival**

A third country citizen who intends –and has the necessary supporting documentation– to own real estate property or to lease hotel accommodations or furnished tourist residences and has entered the country legally, is required to complete the required actions to apply for the residence permit before the expiry of the entry visa. In this case, the prospective applicant is able to undertake legal acts and transactions with the competent authorities, using their entry visa.

#### **Application process**

Since February 20, 2017, the new procedure for granting non EU-EEC nationals residence permits in Greece was launched, pursuant to Regulation (EC) 380/2008, under which all EU Member States will issue an electronic residence permit, which will replace the sticker, typically affixed in a valid passport.

(a) If the investor submits his application in person or accompanied by his attorney, will be called to submit, on top of the application and the related specific documents required by the law (joint ministerial decision 31399/2018 - Category C 3.2.), the following:

- **4 printed digital passport photos**, also stored in digital form(CD)
- **A sample of his digital signature**
- **A fee of 16 euro**, which covers the cost of supply, printing and secure handling of the e-card, paid through the “e-paravolo” online payments platform
- Completion of the **fingerprinting process** (for two fingers)

(b) If the application is filed by an appointed attorney, in the absence of the interested investor, then written notification will be given for the applicant to define a specific date for submitting his biometric data, required for the issue of the residence permit, in consultation with his attorney, so that this date is convenient for the applicant.

If the applicant's travel arrangements change and thus cannot attend the biometrics appointment, then he should promptly inform the competent authority through

his attorney so as a new date for the appointment is fixed. In any case, since the applications must be handled quickly and should not remain pending for a long time, the attendance of the applicant for submitting his biometric data should be completed within six months from the time of application and in any case before the lapse of 1 year.

One of the major advantages enjoyed by holders of permanent investor residence permit, is that following their initial entry into Greece, they have no other obligation to stay in the country for any length of time, without affecting in any way their residence permit. Therefore as the investor, after signing the property purchase contract or even after filing the application for his investor permanent residence permit, may depart from Greece it is necessary to instruct the relevant department, where his application was filed, about the attorney through whom communication between the department and the permit holder will be carried out, whenever necessary.

### **Documentation check**

The authorities receiving the application will issue a confirmation that the application has been submitted, provided that all the necessary documentation has been submitted with the application. This confirmation is valid for one year and it constitutes an evidencing document until the residence permit is issued.

### **Application processing timeframe**

The owner of the real estate property is not affected by the duration of the processing of their application, from the moment the application is submitted to the relevant authorities until the issuing of a decision by the Secretary General of the Decentralised Authority regarding their residence permit. After the application has been submitted, the applicant receives a receipt confirming the submission of the application, which is valid for one year. The time required to process the application depends on the authority where it has been submitted yet it may not exceed two months after all the necessary documents have reached the competent authority.

### **Provisions during the application processing period**

The third country citizen, who has submitted an application and received the confirmation receipt described above, can reside legally in the country for the duration of the confirmation receipt (one year). The holder of the confirmation receipt is entitled to the benefits of the residence permit that they have applied for. Hence, they can proceed with any legal transaction regarding their investment and can transact with all the relevant authorities.

### **Issuing of the decision**

Once the authority of Aliens and Immigration of the Decentralised Authority has verified that the application fulfils all necessary conditions and, in accordance with the decision of the Secretary General of the Decentralised Administration, they will issue a five-year residence permit.

## Procedure for residence permits for family members.

According to the information above, third country citizens can be accompanied by their family members, who will be granted the appropriate entry Visa. Members are:

- a.** Spouses,
- b.** the other spouse or partner with whom a third-country national has a cohabitation agreement in Greece,
- c.** the direct unmarried descendants of the spouses, who are under the age of 21,
- d.** the direct unmarried descendants of the supporter or of the other spouse/partner, provided that their custody has been legally entrusted to the sponsor (for his/her children) and to the other partner (for his/her children), under 21 years of age,
- e.** the direct relatives of the spouses in the ascending line.

Family members are not obliged to submit their application for initial residence permit simultaneously with the investor, they have the option to submit it subsequently, whenever they enter the country.

These family members are issued with a residence permit of the same duration as the applicant, but this permit does not include access to employment.

The children of the applicant, who have been originally admitted to the country under the terms and requirements of residence permit for property owners, are issued with a residence permit for family reunification until the age of 21. After that, it is possible to acquire a renewal as an independent residence permit until they reach the age of 24 and then it is possible to renew it further according to pertinent immigration legislation.

Family members have the same obligation pertaining to the collection of biometric data. The requirement to provide their fingerprints applies to all third-country nationals over six (6) years old, and the digital signature requirement applies to all citizens over the age of twelve (12) years.

## Documents and certificates for the renewal of residence permits.

The renewal of the residence permit requires different documents, including: In all cases:

- **A filled-in application**
- **Four recent colour photos** (passport type, printed as well as in Compatible Disc form);

- **A certified copy** of the previous residence permit, only in cases where the permit is not attached to the passport that is submitted

Under immigration legislation, applications for the renewal of residence permits of all categories must be filed at least two months before the expiry of their active residence permit. Late submission of the renewal application is possible, up to one month from the expiry of the active license, provided that a fine of 100 euro has been paid.

During the residence permit renewal, the applicant must provide again his biometric data (digital photographs and fingerprints), through the procedure described above, ie if the request is not filed in person, the person concerned and their family members are invited to attend and complete the procedure at a set date, following consultation with their attorney.

## Replacement of Residence Permits

Third country nationals who have already been provided with a residence permit

in the form of a sticker affixed on their passport, do not need to replace it with the electronic residence permit, as this will be acceptable for all transactions both within Greece and in other member-countries of the EU until its expiry. Its replacement with an electronic residence permit will be carried out either at its renewal or if necessary at the re-issue which can take place due to loss of the passport on which it is affixed.

## Indication of the place of birth (town) of the applicant

Recording of the place of birth as a mandatory field during filing the residence permit application. If the birth place is not mentioned on the passport, the applicant must submit an official public document of his country of birth or origin, officially translated and legally authenticated, on which the birthplace will be clearly stated. On the translation of the said document, it is essential that the place name is also written in Latin characters, even if the language of the country of origin does not use the Latin alphabet.

## Language requirement for the documentation - Translation Authorities.

The documents that are required for the application for a residence permit must be submitted in Greek, except for the documents issued by foreign authorities, which need to be certified. There are two types of certification:

**a. The Apostille stamp for countries that are parties to the Hague Convention**

**b. Certification by the Consular**

The Apostille stamp: For countries that are parties to the Hague Convention, and for which Greece has not issued a warning, the Public Administration accepts the Apostille stamp which is provided by the relevant foreign authority on the foreign document.

Certification by the Consular: For any countries that are not parties to the Hague Convention, a certification by the Greek consular in the country of origin of the document is required.

The translation of foreign public documents can be done:

**a. By the Translation Service of the Ministry of Foreign Affairs, or**

**b. A lawyer, who must be a member of a Greek bar association, with a certification of their signature by the Bar Association.**

## Cost associated with the application process for the residence permit for owners of real estate.

Interested parties are subject to the fee for the issuance of a five year residence permit amounting to €2000.

At the time of application for the residence permit a fee is paid, which covers the cost of supply, printing and secure handling of the electronic residence permit, set at 16 euro per card. This fee is independent from the respective Application fee, even if the applicant is exempt from paying the fee (eg minors), and collected in the form of electronic fee (e-paravolo). The obligation to pay the fee applies to all third country citizens, whose applications for residence permits are successful and eventually lead to their issue, including children under 6 years old, although fingerprinting is not required.

## Frequently Asked Questions

**Is it necessary to hire a lawyer to collect the documentation?**

There is no legal requirement to collect and process the documents through a lawyer. In cases where the applicant does not speak Greek and / or is located outside of Greece, it may be preferable to ask for the support of a legal representative or proxy who is in Greece, to facilitate the process.

**Who is considered a family member?**

According to the law, family members of third country citizens entering the country are:

- a. Spouses,
- b. the other spouse or partner with whom a third-country national has a cohabitation agreement in Greece,
- c. The direct unmarried descendants of the spouses, who are under the age of 21,
- d. the unmarried children of the supporter or of the other spouse/partner, provided that their custody has been legally entrusted to the sponsor (for his/her children) and to the other partner (for his/her children), under 21 years of age.
- e. the direct relatives of the spouses in the ascending line.

**Can my relatives in the ascending line (namely my parents and my spouse's parents) or my children who are over the age of 18, accompany me (in cases of real estate ownership in Greece), and be included in the family provision? What about the children who turn 18 during the period when their parents' residence permit is valid?**

Ascendants are included in the provision above but not children over the age of 21. Children of third country nationals, who have been admitted to Greece under the terms and requirements of residence permit for property owners, are granted a residence permit for family reunification until the age of 21. After that, it is possible to acquire a renewal as a 3-year independent residence permit until they reach the age of 24 and then it is possible to renew it further according to pertinent immigration legislation.

**Are unmarried partners entitled to a residence permit?**

Family members do not include unmarried partners.

**Can I travel to other countries within the EU with the residence permit for owners of real estate? Are there any conditions related to this?**

Yes. The residence permit and long-term visas are valid

as far as the free movement of the person in the Schengen area is concerned. Any citizen who holds a long-term visa (such as the residence permits for real estate owners) which has been issued by a member state and are valid for one year, are able to travel to other member states for up to 3 months within a six month period, under the same conditions which apply to the holder of a residence permit, while they are also granted a right for multiple entries.

**Can the residence permit be considered as a work permit? Can my spouse, the legal representative of my company, my children, or myself, work in Greece?**

In no case does the residence permit provide access to any type of employment. The family members that have been issued a residence permit for the same duration as the sponsor are similarly not granted access to the employment market.

**Does the residence permit give me the right to apply for citizenship?**

According to the decision of the Minister of Interior no. 130181/6353/27.3.2018, published in the Government Gazette 1208/B/2.4.2018, the residence permits of Real Estate Owners and permanent residence permit for Investors have been added to the categories of residence permits that are eligible for the submission of an application for the acquisition of Greek citizenship. In this case, the applicants must fulfill all the preconditions of the Greek Citizenship Code applied for the acquisition of Greek citizenship by naturalization. The above ministerial decision applies only to the real estate owners and investors themselves, and not their family members, who must first obtain the long-term residence status, which is a prerequisite for naturalization.

**Does the amount of €250,000 include the Value Added Tax? What should the value of the investment be if the ownership / sale document include the name of both spouses?**

The amount of €250.000 refers to the price indicated on the contract. In cases of joint ownership of the real estate property by spouses, the residence right is granted to both spouses.

**Can I obtain more than one piece of property, the individual value of which is less than €250.000, if the combined value is equal or greater than € 250.000?**

You are entitled to residency rights irrespective of whether you own one or more properties, provided that their combined value is equal to or greater than €250.000.

**Can I buy commercial property or a combination of commercial and residential properties or land?**

The law states that €250.000 must be the stated price on the contract. It does not distinguish between commercial and residential properties.

**Are there any restrictions that apply to the real estate market? (e.g. location, size in square meters, or other factors).**

There are restrictions on properties located in border regions. It should be noted that as border regions are defined the prefectures of the Dodecanese, Evros, Thesprotia, Kastoria, Kilikis, Lesvos, Xanthi, Preveza, Rodopi, Samos, Florina, Chios, and the islands of Thera and Skyros, as well as the former regions of Nevrokipi in the former prefecture of Drama; Pagoniou and Konitsas

in the prefecture of Ioannina; Almopia and Edessa in the prefecture of Pella; and Sintiki in the prefecture of Serres. Individual or legal entities, which are affected by the restrictions above, can request the lifting of the ban for the border regions, along with their application, which should clearly state the intended use for the property. The decision to lift the ban is made by the Minister of Defence, following the submission of an application.

**Can I travel in Schengen countries directly, after my residence permit has been issued, from my country, or do I need to first come to Greece?**

You can arrive to any Schengen country you wish to.

**What is the arrangement regarding the access to education and health services? Can the children of the residence permit holder attend a Greek public school?**

The holders of the residence permit have access to public education, analogously to that of Greeks. Regarding access to health services, third country citizens and their family members who fall under the regulations of the current law, must have insurance that covers their healthcare and medical care expenses. To prove this condition, the following documents are accepted:

- i. Insurance contracts which have been signed outside Greece, provided they explicitly mention that they cover the applicant for the duration of their stay in Greece
- ii. Insurance contracts which have been signed in Greece

**Can I purchase a car with Greek license plates for my transportation needs in the country?**

Yes, under the specific regulations of the Ministry of Transport, which apply to third country citizens.

In all cases, before the contract, the price of the real estate is paid via a crossed bank cheque or through another banking transaction.

**If 8 third country citizens jointly buy a property for €2.000.000, are all the joint owners entitled to a residence permit?**

Yes, provided that the amount invested by each one is €250.000.

**What happens in the cases where someone tarnishes their criminal record, either in their country of origin or in Greece, during the period of when their residence permit is valid?**

This leads to the revocation of the residence permit.

**If someone holds a long-term Visa for a different Schengen country, does this Visa need to be cancelled to obtain a visa in Greece?**

A Schengen visa by a different country gives the applicant the ability to enter Greece and settle issues regarding the purchase of the property.

**Does the residence permit continue to be valid if the real estate property is transferred/resold?**

In cases when the real estate (property) is transferred, the third country citizen loses the right to residence. In case of resale of the property during the period of validity of the residence permit to another third country citizen, the right to a residence permit is granted to the new buyer along with a simultaneous revocation of the seller's residence permit.

**Is it possible to rent the real estate property to third parties?**

Third country citizens who own real estate have the right to rent their property.
